PROJECTS

Campus-Connect   2024
MERN Stack, Socket.io

- Campus Connect is a platform designed to help students connect with each other, participate in hackathons, stay updated on college events, and message hackathon winners.
- Keywords - Academic Networking, College Hackathons, Student Networking.

Praman (Sunhacks Hackathon)   2024
MERN Stack, AI/ML.

- It is an AI-powered platform for collecting and filtering resumes, utilizing NLP and machine learning to analyze job descriptions, parse resumes, and rank candidates based on relevance.
- The system enables job seekers to submit profiles and employers to match candidates to job openings through a user-friendly web application.

Kleos 2.0 Hackathon   2024
MERN Stack, AI/ML.

- A secure web/mobile application in India that translates regional languages (Marathi, Hindi, Tamil, Telugu, Bengali) to English for accurate financial transactions, featuring OCR for text extraction, fraud detection, and user feedback for continuous improvement.
